Adaminaby Public School

School Plan

2009-2011

Modified October 2011
Adaminaby Public School Plan for 2009-2011

School context

Adaminaby Public School is located on the northern Monaro, in the Snowy Mountains, approximately 50 kilometres north west of Cooma. It is a small school which provides a wide range of experiences in all Key Learning Areas with an emphasis on developing Literacy and Numeracy skills. The school provides education for students drawn predominately from the rural areas of the northern Monaro. There is a total of 18 families with 28 students enrolled in 2009. The school structure consists of multi-grade classes with two full-time classroom teachers and one part time support teacher, in addition to a school administrative manager. The area is drought affected and enrolments have begun to decline. The school receives Country Area Program funding which provides additional funding support for rural and isolated schools. From the beginning of 2010 the school received additional funding through the National Partnership – Low SES Program.

Priority Areas (3 Year horizon)

- Literacy- to continually raise the Literacy standards of all students
- Numeracy- to continually raise the Numeracy standards of all students
- Technology / Connected Learning – to enhance students learning through the integration of technology across all KLAs.
- Personal Development Health and Physical Education – To improve the fitness and fundamental movement skills of all students
- Building Learning Partnerships- to promote ongoing professional growth of staff through shared programming and assessment through the Monaro Small Schools Network
- Aboriginal Education- To develop a deep understanding of Aboriginal culture and reflect through interaction, educational programs and partnerships.

Targets (1 year horizon 2011)

1. The number of students reading at or above grade level will increase from 75% to 80% or above.
2. To increase the number of students achieving at or above grade level in writing from 67% to 75%.
3. All Year 5 students will be in the top 3 bands for reading, writing, spelling and grammar & punctuation compared to when these same students were in Year 3 (reading and grammar & punctuation – top 4 bands, writing and spelling – top 3 bands)
4. Increase the number of students achieving at or above grade level from 67% to 80%.
5. All students in year 5 will demonstrate expected growth in numeracy as measured by NAPLAN, compared to 50% who grew as expected in 2010
6. All year 5 students will be in the top 2 bands for numeracy as measured by NAPLAN. When these same students were in year 3 they were in the top 2 bands for numeracy as measured by NAPLAN
7. Establish students attendance rate above state average. 2009-2011 Aboriginal students’ learning outcomes will match the outcomes of the broader student population
8. Quality Teaching principles to enhance teachers’ understanding of learning theories are evident in classroom practise and through the TARS process
9. 2009-2011 programmes and practices reflect effective implementation of all dimensions of the NSW QT model
The plan has been endorsed and approved by:

Adaminaby Public School Revised Plan for Low SES National Partnership - SED Endorsed 151110  
Principal’s Initials________
- Expand mathematics resources to be used with IWB technology, including web-based providers such as Rainforest Maths and Mathletics.
- Explicit teaching of Number each term through CMIT activities, using the Newman's Analysis model, having a scope and sequence for all strands of mathematics and using numeracy expertise within the school, the greater Monaro area and the region.
- Conduct parent workshops to support students at home.
- "Parents Count Too" information in Newsletter.
- Use Quality Teaching (QT) Learning Model and Thinking Tools in planning, programming and assessment strategies.
- Conduct stock take of numeracy resources.
- Complete the Numeracy Survey on the PLLD website to develop an analytical framework for further planning.
- Pre and post assessment of all students in all stands of Mathematics.
- Use Progressive Achievement Tests (PAT) Maths assessment Kit to track progress of all students 3-6.
- Use SENA to determine the needs and track the development of all students.
- Continue to update the school-based tracking system to monitor student's progress.
- Plotting students on the Best Start Continuum for Numeracy.

### School Plan

**School Priority Area:**  
*Student Engagement and Retention*

**Intended Outcomes:**  
School primary data sheet will reflect improved attendance levels. Teachers will continue to utilise the Quality Teaching model to enhance student engagement and retention.

**Target/s:**  
1. Establish students attendance rate above state average

#### Indicators | Time Frame | Strategies | Low SES Responsibility | Resource Allocation & Funding source
---|---|---|---|---
| '09 | '10 | '11 | Reform Area | |
| Improved attendance rates matched to school education area average. | X X X | • Provide information to families about the attendance of their children through reports.  
• Provide Department of Education and Training information through newsletter on importance of attendance.  
• Recognise students without absences with Merit Certificates each term. | 6 | Principal  
Global (Office Supplies) $1000 |
| Improved student behaviour and self-esteem. | X X X | • Reinforce inclusive playground program.  
• Continue implementation of FISH philosophy.  
• Continue to refine Adaminaby Achievers Positive Behaviours Program. | 6 | Classroom Teachers  
No budget required. |
| Enhanced Student Leadership. Greater student participation in leadership activities. | X X X | • Foster leadership potential in all students through added responsibility in the school (eg Roster of roles each week) and classroom and school discussions.  
• Student leaders to continue more active roles in school assemblies.  
• Train Peer Support leaders with students from a larger Monaro school.  
• Implement Peer Support program.  
• Student leaders to attend the National Young Learners conference in Sydney in term 12011, followed by leadership days on the Monaro. | 2,3,4,6 | Principal Classroom teachers  
Principal  
Global $1000 |
### School Priority Area:
Aboriginal Education and Training

### Intended Outcomes:
Raise awareness of the needs and aspirations of Aboriginal students in communities and enhance partnerships with the Aboriginal community

### Target/s:
1. 2009-2011 Aboriginal students' learning outcomes will match the outcomes of the broader student population

<table>

Adaminaby Public School Revised Plan for Low SES National Partnership - SED Endorsed 151110

Principal’s Initials__________
• Share programming and assessment responsibilities to ensure consistent teacher judgement is maintained across the Monaro Small Schools Network (MSSN).
School Priority Area: **Country Areas Program (CAP)**

Intended Outcomes: Provide access to programs that are not available due to geographic isolation

Target/s:
1. Teacher Professional learning to address issues of geographic isolation. The Quality Teaching and Learning model will be reflected through the teaching and learning experiences in Technology.
2. To provide access to a playgroup services not available to the community due to isolation.

| A whole school focus on Professional Development (PD), particularly in Information & Communication Technology (ICT) and the Quality Teaching Framework (QTF) has been implemented | '09 '10 '11 | • Classroom teachers to attend QTF CAP initiatives and workshops.  
• Visit to CAP school on Far South Coast to observe QTF strategies.  
• Employ a teacher for ½ day a week to team teach and support class teachers with ICT use in the class, with a focus around literacy and numeracy. | 2,3,6                  | Principal Classroom teachers            |
| Evidence of students using digital music                                   | '09 '11    | • 1 day professional development with digital music expert.  
• 1 day workshop with digital music expert for all students.            |                         | Principal                             |
### Improved results in school-based assessments and NAPLAN—improve 1 skill band or greater.

- Employ a teacher on a short term basis to team teach across the school to help cater for a variety of needs in literacy and numeracy.
- Employ a teacher for ½ day a week to team teach and support class teachers with intensive and extension work for targeted students.
- Explicit teaching of writing, with a focus on grammar and punctuation, through levelled groups and intensive work, professional development, professional meetings and consultancy.

### Student participation rates

**Number of children attending play group**

- Conduct workshops on performance/dance movement, building self confidence and enhancing coordination. This workshop will target K-6 and their communities.
- Provide a playgroup program with a focus around literacy and numeracy, to try and lift the skills of incoming kindergarten students.
